**Frida Kahlo High School  
Districtwide Emergency Drill**

**October 11, 2024**

Dear Parents(s) or Guardian(s):

The safety and welfare of our students and staff are our highest priorities. To provide schools an opportunity to practice emergency response procedures, all students and staff will participate in a Districtwide emergency preparedness drill on October 17th, at 10:17 am. Please be advised that students will be dismissed at the regular time on this day.

The goals of the training drill are to improve our ability to protect students and employees, save lives, and protect property. As part of the drill, the students and staff will participate in the activation of our school's Integrated Safe School Plan. For information about how your school prepares for emergencies, you may check the website: <https://www.lausd.org/pei>.

Please make sure that all contact information for your child is current so that in the event of an actual emergency, we can reach you. Contact Frida Kahlo at (213) 763-1090 or log on to the [LAUSD Parent Portal](#) to update your contact information.

Prior to the drill, please discuss with your child your family's home emergency preparedness plan. Resources are available to help you prepare for emergencies, such as, by gathering essential items you already have around your home and preparing an emergency contact list. The American Red Cross has valuable information in English or in Spanish on their [website](#) or by calling the Los Angeles Chapter at (310) 445-9908.

You are encouraged to participate in our drill; contact Frida Kahlo at (213) 763-1090 to do so or if you have any questions or need further information.

Sincerely,

Principal Mr. Kim
